

What is realestate-dreams?

re-d is an international real estate agency network selling properties in the areas of Spain, Italy, Turkey, Florida and the Alp region. re-d has established partnerships with local estate agencies to present a wide selection of properties in each covered region. To secure personal advise and professional handling re-d operates with local representatives in addition. These so called re-d brokers take direct care of clients and partnerships. The re-d partnership model is based on equal commission split except of re-d Turkey. In the Turkey section re-d offers partner agents a free access to its property database to publish their properties independently. There is no commission sharing, this service is re-financed by advertising on the webpage.

Who is realestate-dreams?

re-d was founded by an international team of skilled real-estate agents and architects who have joined together in realestate-dreams. The head office is in Barcelona, Spain but re-d runs also offices in Stuttgart, Germany and in Italy. Only since the beginning of 2005 re-d is operating under the name realestate-dreams. We are successfully selling dream properties in the Italian Piemonte since already 10 years. With the www.casa-piemont.com web site we have gained a great experience in providing properties over the internet and we have been able to build up our European network continuously. Today on www.realestate-dreams.com you can find over a thousand property offers in all relevant areas of Italy, Spain, Turkey, Florida and the Alp region.
